

MEMORIAL STAIR CLIMB

BECOME A SPONSOR

First and foremost, this event is focused on remembering those emergency responders who made the **ultimate sacrifice** on 9/11/01 during the terrorist attacks of the World Trade Center Twin Towers. While the situation was one no responder is ever prepared for, those first and subsequent responders faithfully performed their duties sacrificing their own lives which ultimately saved thousands of civilians prior to the collapse.

EVENT INFORMATION:

- **SEPTEMBER 7, 2019**
- **STATE OFFICE BUILDING**
GENESEE ST., UTICA, NY 13501

Every portion of the climb is done in a manner that sparks discussion for those who do not remember/know about 9/11, and pays tribute to the responders. More importantly, it gives people an opportunity to recommit themselves to 'never forget'. The first responders participating in our stair climb will travel 110 stories, the equivalent of the World Trade Center Twin Towers.
