Sunday, July 26, 2026

Registration: 10:00 AM

Lunch: 11:00 AM

Shotgun Start: 12:00 Noon

Dear Fire Chiefs and Business Sponsors,

Occupational cancer remains the leading cause of line-of-duty deaths in the fire service — impacting firefighters, their families, and the departments they serve.

Since 2015, the Believe 271 Foundation, Inc., a 501(c)(3) not-for-profit organization, has provided direct assistance to 155 firefighters and Ladies Auxiliary members battling occupational cancer. To date, more than \$524,000 has been distributed — with every dollar remaining in Oneida and Herkimer Counties to support local families when they need it most.

As leaders and community partners, your support demonstrates that our fire service stands united and that no firefighter fights alone.

We respectfully ask you to consider supporting this year's 13th Annual Tournament through sponsorship or participation. Your leadership directly strengthens the safety net protecting those who have dedicated their lives to protecting others.

With sincere appreciation,

Sarah and Brian McQueen
