

Dear Fire Chiefs and Business Sponsors,

On behalf of the Believe 271 / Robert LeBuis Memorial Golf Tournament, we extend our sincere gratitude for your continued support. Your generosity in past years has made a meaningful and lasting difference in the lives of our local firefighters, ladies auxiliaries, and their families.

Our mission is rooted in supporting the brave men and women who selflessly serve our communities. As a **501(c)(3) not-for-profit organization**, we are proud to share that since 2015, we have provided **over \$525,000 in assistance** to firefighters and ladies auxiliaries throughout Herkimer and Oneida Counties. Every dollar raised through our tournament and related efforts remains within these counties, directly benefiting those who answer the call when others are experiencing some of the most difficult moments of their lives.

Volunteer firefighters are the backbone of our communities. They respond without hesitation—day or night—placing themselves in harm's way to protect others. In recent years, there has been a growing awareness of the increased risk of **occupational cancer** among firefighters, further highlighting the importance of providing financial and emotional support to these individuals and their families.

Your past contributions have helped us continue this vital mission. Because of you, we have been able to ease financial burdens, provide assistance during times of hardship, and stand beside those who give so much of themselves. We are deeply grateful for your partnership and commitment.

As we prepare for this year's tournament, we respectfully ask for your continued support. Together, we can ensure that our local heroes and their families receive the assistance they deserve.

Thank you again for your generosity and dedication to our mission. We look forward to working with you again and continuing to make a difference in our community.

Sincerely,

Sarah and Brian McQueen
